

The image shows the exterior of a Mali Textile store. The logo, featuring a stylized 'M' above the words 'mali textile', is illuminated and mounted on the white facade above a large glass entrance. The interior of the store is visible through the glass, showing a modern, well-lit space with a curved ceiling and recessed lighting.

MaliTextile Ltd. established in 2000 in Denizli/Turkey, is proud to be one of the leading towel and bathrobe manufacturer and an agent for sourcing and developing homewear, beachwear, nightwear, underwear and casualwear textile products based in Denizli / Turkey. Since 2005, 95% of our production is for export and 5% for domestic market. Over the years, we continuously improved ourselves to meet our customers' needs in the most professional way possible.

MaliTextile Ltd. producing, updating, upgrading and introducing new designs every year for the all line of the market. On this score, we have become highly respected for our ideas, several of which have now been taken up by major customers.

MaliTextile Ltd. has a broad spectrum of clients, ranging from supermarkets and store groups, to mail order, independent retailers and distributors in worldwide.

In all cases the products are developed or offered specially for the customer, and it is our policy not to offer identical product to customers or competitors, which would bring the product in to direct competition.

We have succesfull sales in the design related products, which is expanding yaer by year. At the present High Street stores and Supermarket customers make up by 85% of our trade, and a further 15% being taken up by independent retailers and wholesaler customers.

We develope a very close working relationship with all our customers. We have our own QC people to monitor every stage of production. We offer a full design service, samples, artworks, tickets, labels, packaging.

Peshtemal Hamam Towel

As Malitextile we are exporting handwoven peshtemal towels, bathrobes, natural soaps and different kinds of ethnic products. Our main goal is to provide the best quality products to our customers. Our main customers are; wholesalers, store owners such as home stores, gift stores, beach stores, personal care stores, spa saloons, hammams, saunas and also hotels. Lets take a look at what makes Turkish peshtemal towel so special;

- * They are thinner than your average terry towel.
 - * They dry quickly, making them more environmentally friendly.
 - * They take up less place making them ideal for traveling.
 - * They allow you to leave the sand at the beach as they don't.
 - * They totally cover you up as their sizes are big enough and can be used as sarongs.
 - * They can be used as scarves or shawls with their rich colours and texture options.
 - * They get softer after some washes opposed to the terry towels.
 - * They are made by local artisans in their homes, handed down from generation to generation.
 - * They employ more people who tie the tassels in their houses.
- Lastly, remember that the only way Terry towels beat a peshtemal is by their weight.
